OMAHA

CODE	BC11446 20X
COLOUR	ALL BLACK
EN STANDARD	S7L SR HRO SC FO

ENGINEERED WITH LEAF-SPRING TECHNOLOGY

DESCRIPTION

The Omaha is a waterproof boot built for long-term performance in demanding conditions. Crafted from premium leather uppers and reinforced with a durable toe scuff guard. Padded tongues and collars work with a breathable waterproof lining to keep feet protected and comfortable throughout the toughest shifts.

Its triple-density wedge outsole is engineered for cushioning, stability, and reliable traction across varied surfaces. With composite toe caps, a penetration-resistant midsole, and a strengthened heel moulding designed for easy kick-off, Omaha delivers protection without compromise.

Inside, utilising the patented Redbacks cushioning system, every pair of Bobcat® Safety Footwear is engineered with Leaf-Spring Technology insoles. Absorbing shock, reducing fatigue, and supporting the feet, knees, and back.
