GRANITE

CODE	BC11576 000
COLOUR	ALL BLACK
EN STANDARD	S7L SR HRO SC FO

ENGINEERED WITH LEAF-SPRING TECHNOLOGY

DESCRIPTION

Granite is an 8” boot built to deliver maximum durability in unforgiving outdoor conditions. Fully waterproof with an integrated breathable membrane, it keeps feet dry and protected, while the heavy-duty premium leather upper provides long-lasting resilience.

A direct-injected PU/rubber outsole offers lightweight comfort, slip resistance, and exceptional traction across gravel, groundwork, and uneven terrain. Reinforced with a protective toe scuff cap, composite safety toe, and penetration-resistant midsole. A moulded TPU heel kick-spur add practical ease, allowing for rapid removal after demanding shifts.

Inside, utilising the patented Redbacks cushioning system, every pair of Bobcat® Safety Footwear is engineered with Leaf-Spring Technology insoles. Absorbing shock, reducing fatigue, and supporting the feet, knees, and back.

KEY FEATURES

Upper Material	Full grain, waterproof Crazy Horse cowhide leather
Upper Characteristic	Waterproof (full internal waterproof bootie)
Lining	Soft-touch Lycra blend
Features	Heat emboss detailing
	Functional TPU kick-off heel spur
	Built-in injected scuff cap
Outsole Material	PU/rubber direct injection outsole (with supportive TPU waist chassis)
Sizing	UK Men’s 6-12 | EU Men’s 40-46

PUNCTURE RESISTANT [PL] 4.5mm
