RAPID

CODE	BC53536 F0N
COLOUR	ALL BLACK
EN STANDARD	S3S SR FO

ENGINEERED WITH LEAF-SPRING TECHNOLOGY

DESCRIPTION

Rapid is a mid-height safety boot designed to provide strong ankle support and protection. Its triple-density outsole features a rugged Bobcat® inspired tread pattern for improved grip, slip resistance, and stability on different surfaces. The Fit Lock speed-lacing system allows for a secure fit and quick, easy on and off.

The boot uses a breathable industrial nylon upper with synthetic Nubuck and heat-bonded toe guards for durability. A padded ankle collar with a soft neoprene lining adds comfort for all-day wear.

Inside, utilising the patented Redbacks cushioning system, every pair of Bobcat® Safety Footwear is engineered with Leaf-Spring Technology insoles. Absorbing shock, reducing fatigue, and supporting the feet, knees, and back.

KEY FEATURES

Upper Material	Breathable, industrial woven nylon and PU Nubuck
Upper Characteristic	Water resistant
Lining	Soft-touch Lycra blend
Features	Quick fastening Fit Lock system
	Protective TPU toe cap and heel counter
	Reflective heel pull tab
	Padded heel comfort
