DESCRIPTION

Toledo takes inspiration from hiker boot profiles to deliver increased ankle stability and all-day protection, making it ideal for both indoor and outdoor environments. Built with a triple-density sporty outsole, balancing strength, agility, and comfort in every step.

A rugged Bobcat®-inspired tread pattern provides superior stability and slip resistance across a range of surfaces, while also being fuel oil resistant and non-marking. Lightweight yet shock absorbing, Toledo is designed to reduce fatigue while standing up to the toughest jobs.

Inside, utilising the patented Redbacks cushioning system, every pair of Bobcat® Safety Footwear is engineered with Leaf-Spring Technology insoles. Absorbing shock, reducing fatigue, and supporting the feet, knees, and back.
